THE ANTARCTIC FLY CRUISE EXPERIENCE

Get right into the heart of the action and explore all the highlights of the 7th Continent in as few as 8 days. Rather than crossing the Drake Passage to Antarctica by ship, we fly you directly into one of the most remote regions on earth, shaving up to four days off your trip and maximizing your time in destination.

A Fly Cruise Expedition is ideal for:

Those **strapped for time**. A trip to Antarctica used to take weeks, but no longer.

Polar travelers who want to **get into the heart of the action**. Your adventure starts when you board your charter plane from Punta Arenas, Chile.

Anyone who wants a **truly unique experience**. How many people can say they experienced Antarctica from the air?

Those looking to get **away from it all** and immerse themselves in a new environment, while enjoying a **premium experience** on board *World Explorer*.
